

# Colville Junior High School

## 2017/2018

### School Supply List

Colville voted YES! for the maintenance and Operation levy back in 2014. The levy enables schools to provide materials that help support student learning. In addition to the materials that the school supplies, the following list of **suggested** items will help students stay organized and be successful at CJHS:

Pencils (wood or mechanical)  
Erasers  
Black or blue pens  
Red pens (for correcting papers)  
Colored pencils (pkg of 12)  
Highlighters (pkg of 4)  
2" Binder  
College ruled loose-leaf paper  
Tab dividers (for binder)  
Pencil Pouch

#### **Locks:**

**Combination locks** are available at the school office the first week of school for checkout. A \$7.50 fee will be imposed if a student loses their combination lock. **Students are not allowed to bring a lock from home to put on their locker. A lock that is not issued by the school will be cut from the locker.**

#### **Headphones:**

Personal headphones for use with school Chrome Books are recommended. School headphones are available for use by students who don't bring their own.

#### **P.E. Information & Supplies:**

Each student needs to bring a separate pair of gym shoes to be used exclusively on the gym floor (shoes do not need to be new, but must be non-marking, clean athletic shoes). Also, bring a pair of shorts or sweats, t-shirt, and non-spray deodorant to keep in your PE locker. Mark all belongings with your name so that if misplaced they can be returned to you easily. Items may be kept in your PE locker and taken home regularly for washing. The PE teacher will issue locks for PE lockers. There is a \$7.50 fee imposed if the student loses the lock. All students will take 1 semester of PE so it might be a good idea to wait until you see which semester you are going to take PE before you acquire your PE supplies.

#### **Algebra 1:**

Only 8<sup>th</sup> graders who are scheduled for Algebra 1 will need a special calculator. Information about the calculator specifications will be given to students the first few weeks of class. We have rental calculators available for students who do not wish to purchase their own.
