## Updated Remote Learning Plan for Colville Junior High School

### **Option One - Hybrid In-Person Instruction:**

This choice will allow students and families to choose between two different cohorts (A/B) in the hybrid model. By cohorting the students this will allow CJHS to abide by social distancing requirements set forth by Department of Health guidelines. Cohort A will allow students to come to school on Monday and Wednesday alternating every other Friday. Cohort B will allow students to come to school on Tuesday and Thursday alternating every other Friday. Students will be given assignments, projects, and other tasks to complete on the days they stay home for their remote instruction.

### **Option Two - Online Remote Instruction:**

Students will be enrolled in a six period day. Teachers will communicate with students whether they will have live Zooms that may be entered during the day or if they will post a video of the lesson in Google Classroom. We have a number of teachers piloting live Zooms for remote learners. If teachers do not have live Zooms, they will be posting recorded instructional videos 2-3 times a week. Teachers will either explain in their recorded instructional video what students need to do on their at home day or post in Google Classroom what needs to be done. Teachers will use Google Classroom as the Learning Management System (student materials, videos, assignment turn in, etc.). Our Intervention team office hours are daily from 2:20 pm to 3:00 pm for students to ask questions on their coursework.

### **Option Three - Offline Remote Instruction:**

This option is designed for those students/families who have poor or no internet access. Students will be enrolled in a six period day. Students will be provided a USB drive with recorded instructional lessons. On Monday each week students/families will need to visit the school with their student's Chromebook to pick up a USB drive with recorded instructional lessons. Our Intervention team office hours are daily from 2:20 pm to 3:00pm for students to ask questions on their coursework.
